Dear Community Business Owner/Manager:

Please join our PTO as we raise funds for educational materials for our children at Saint Michael School in Lowell, Massachusetts. Our most successful fund raiser is our biennial school auction. Unfortunately, we have been unable to hold one since 2019 which makes this year's event very important. We are excited to announce that our auction fundraising event will be held on Saturday, May 6, 2023.

Saint Michael School is a non-profit, privately funded elementary school serving approximately 200 students. Established in 1889, the school is dedicated to providing a quality education to students from surrounding communities.

We understand that people are going through a very tough economic period. That is why we believe it is more important than ever that we support the education of children. We are interested in items, gift certificates, services, monetary donations, or whatever may be representative of you and your organization. All donated items will be acknowledged in the Auction Program and this year we plan to distribute 500 copies. Additionally, your donation may be tax deductible.

Please accept our sincere appreciation for considering this request. Your donation may be sent directly to Saint Michael School "Attn: Auction Committee". If pick up is needed, please call the school and you will receive a follow-up call from an Auction Committee member within a few days to make arrangements to pick up your donation. For any additional information or questions, please call the Saint Michael School office.

Thank you in advance for your generosity.

Sincerely,

Anne Gallagher, Principal
Saint Michael School
