

**SUMMER MATH ASSIGNMENT FOR STUDENTS**  
**ENTERING GRADE 4**  
**SAINT MICHAEL SCHOOL**

**DUE DATE:** First day of school.

**THE ASSIGNMENT:** On paper, students are to write out all their math facts, from 0's to 12's, ten times each and study them over the course of the summer. Students will be given a test on these math facts sometime during the first weeks of school. It is imperative that these are mastered as we continue learning new lessons in math throughout the year.

For example: Write out each math fact in columns from 0's to 12's.

|                  |                  |                  |                  |
|------------------|------------------|------------------|------------------|
| $0 \times 0 = 0$ | $1 \times 0 = 0$ | $2 \times 0 = 0$ | continuing on... |
| $0 \times 1 = 0$ | $1 \times 1 = 1$ | $2 \times 1 = 2$ |                  |
| $0 \times 2 = 0$ | $1 \times 2 = 2$ | $2 \times 2 = 4$ |                  |

Continuing on...

**Please remember to study these and be prepared to take a test on them! Also, please do not forget to write your name on your paper.**
