May 2021

Dear Colleagues,

The entire team at NEASC would like to extend our sincere thanks and appreciation to the leadership, faculty, and staff of your school. You have demonstrated outstanding devotion, diligence, and innovation in making sure students receive the resources and support they need for learning to continue during the ongoing pandemic.

Enclosed is a small gift in recognition of the HOPE you have inspired in us at NEASC and in your own communities. May it serve as a reminder of how together you have risen to meet not only today's challenges but have found new ways to address issues that will carry us forward in positivity and purpose.

Sincerely,

A handwritten signature in dark ink that reads "Cameron C. Staples".
