# IMPORTANT NOTICE

Dear SMS Families,

We are aware that Massachusetts travel order will be replaced with a travel advisory effective on March 22, 2021. Our travel guidelines put in place at Saint Michael School will not change. Any families planning to travel outside of Massachusetts for Spring vacation or moving forward will be required to follow this guideline.

- Any student or family member in the household traveling out of state must quarantine for 10 days before returning to in person learning.

Our policies are in place to protect the health and safety of our students and staff and help minimize Covid19 in our school community. We appreciate your cooperation during these challenging times.
